Grace to you and peace from God our Father and our Lord and Savior, Jesus Christ!

As in the past, we are requesting those students who are in 5-12 grades to help with ushering. The responsibilities of the usher are to help usher people to communion, side usher during offering, and usher people out of church after the service.

Many of you have already done this in the past and your work is greatly appreciated. For those of you that have not had the opportunity to usher, please contact myself or an elder if you have any questions regarding your responsibilities.

Along with this letter is a schedule. If you are not able to be there when it is your turn, **it is your responsibility to find a substitute.** If there is a month that works better for you, contact those in that month and request to switch.

If you have any questions, or if there is someone that I forgot on the list, please let me know and I will correct it.

Blessings in Christ:

Rev. Joel G. Koepf
