

Processional and Recessional Procedures

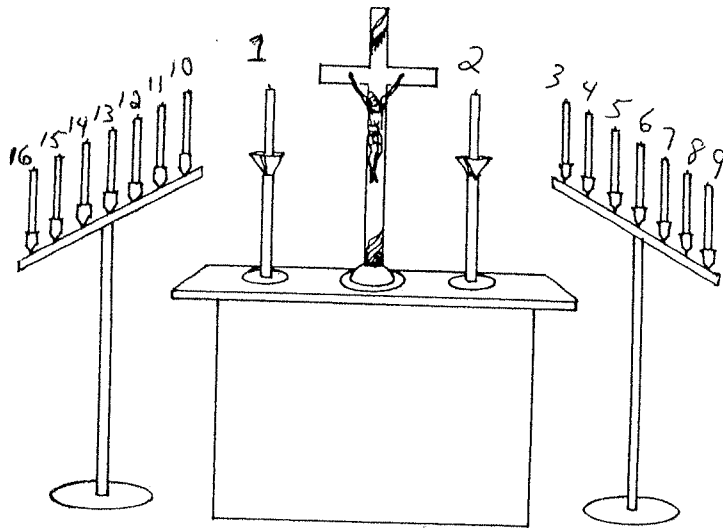

Processional Cross: Leads in and leads out.

- For Recessional – Take cross and wait at the top of the chancel steps until the Acolyte is ready to exit

- Proper Hold: 1) Right Hand on top and facing away
2) Left Hand on bottom and facing toward self
3) Elbows at 90° angles

Processional

Recessional (before extinguishing last candle; light the candlestick–extinguish candle–then exit)
